Over 22 thousand employees of MMC Norilsk Nickel took part in sports events in 2006

Over 22 thousand employees of MMC Norilsk Nickel and its subsidiaries took part in corporate sports events in 2006. About four thousand participants came into finals of the 45th Spartakiade organized at the Company's Polar Branch, and the number of players in the Kola MMC's Games exceeded 15 hundred.

The competitions at the Polar Branch were conducted in 22 disciplines, and at the Kola MMC, Yenisey River Shipping Company and Norilsk Fuel & Energy Company they included 14 sports.

MMC Norilsk Nickel plays an important role in sports promotion paying special attention to the state of sports venues in the areas where the Company's operations are based. Jointly with Norilsk City Administration, all local athletic facilities were inspected in 2006, and a program of their renovation for the period 2007 – 2010 was devised. Financing for this program will be provided by the Company and Norilsk Administration on a parity basis, to which effect an agreement has been signed. Other sponsorship activities included further renovation of sports halls in Norilsk schools started in 2005, reconstruction of Sports and Health Centre in Monchegorsk, foundation of recreational infrastructure for Arkhangelsk Commercial Sea Port's employees.

Every year the Company arranges several sporting events that become more and more popular in local townships: Norilsk Nickel Ski Track, Dudinka – Alykel – Norilsk Athletic Race on the Metal Workers Day, Family Sports Festival Daddy, Mammy, me – we are a sport family in Sochi, mini-football tournament in Norilsk and volleyball games in Mochegorsk.

“Almost seven thousand athletes took part in this year's competitions, while the first corporate games organized by the Company in 2003 covered only around six hundred sports enthusiasts. Greater involvement in active sports activities contributes to sickness prevention”, says Vladimir Tcheremushkin, Secretary of the Corporate Sports and Exercise Council of MMC Norilsk Nickel.

In addition to already traditional corporate sporting events, 2007 plans of this Council include a basketball tournament, building of a new route for Norilsk-Talnakh athletic race, family games in Anapa during summer school vacations.
